Mote Storage - Low Board

Design – Allermuir

Mote storage has been designed to complement the full range of Mote seating. Featuring a contemporary silhouette, Mote storage comes in three heights that share acommon design language, ideal for meeting rooms and collaborative environments. Low Board storage is ideal for positioning beneath a large screen; Sideboards and High boards are a beautiful accompaniment to any meeting room and all can effortlessly house a number of multimedia devices.

to specify your storage...

1. Check the **Standard Features & Finishes** and select the **Model** you require
2. Select any **Optional Extras or Alternative Finishes** you require and add on any extra costs as shown per product
3. You now have the total cost and specification for **Your Storage**

When ordering please ensure that you send us all this information so we can correctly fulfill your requirements.

Mote Storage - Side Board

Design – Allermuir

Mote has been designed to provide a holistic solution when designing dynamic environments. Created as a complete lounge seating range, no detail is an afterthought, with every inch having been given careful consideration to eliminate dead space.

The Mote family includes sofas, ottomans, screens and accessories, each linking seamlessly to each other to create a combination of rectilinear and curvilinear forms for beautiful yet defined spaces.
