To price a product in a Two Tone finish please use the highest Band for the fabrics selected (e.g. if a product is to be upholstered in a Band 4 and 6 fabrics the whole chair should be costed at Band 6 pricing) this applies to all fabrics from our standard offer for any other fabrics please contact Customer Services for a quote.

Due to the way upholstery panels are cut and sewn we cannot guarantee to pattern match fabrics, although every effort will be made to replicate the pattern.

shapes and seams. When required we will upholster to customer specification but such orders are not subject to return. If you have a question or concern about fabric application to any of our products please contact your Internal Sales Support team member and submit a fabric sample for approval prior to placing an order.
